THE HOUSE

Crafted in Sialkot. Exported to the world.

Irha Apparels is a full-service apparel manufacturer based in Sialkot, Pakistan — supplying premium garments to retailers, brands and sourcing teams across the USA, the European Union, the UAE and beyond. Our in-house atelier covers six categories: Bavarian wear, sportswear, leatherwear, streetwear, leisurewear and nightwear.

We operate as a single-roof partner: cutting, stitching, embroidery, sublimation, leather work, finishing, QC and export documentation are all performed in-house by specialists whose families have stitched in Sialkot for three generations. The result is heritage-grade craftsmanship paired with industrial reliability — and a price point Europe and the US cannot replicate at this quality level.
